Bring your camp chair. Sit and watch the children Flashlight Candy Hunt then enjoy conversation, stories, songs, and laughs. Weather permitting.

- Saturday night families bring their children into the store / office at dusk to get their bags to collect their candy and to get lined up to go out for the hunt. Adults then can go gather at the group fire pit edge of the playground with their camp chair to get ready to view the children hunting for candy with their flashlights. (own flashlights required). Groups are gathered by ages so the little ones go earlier so they can still see a little before it is too dark.
